1.0	PROJECT – ENTRANCE DRIVE
	<p>At the last Committee meeting a quote for paving the remainder of the entrance drive had been received for £7K from the contractor who undertook the original paving. JH was asked to get alternative quotes as it was considered that this was expensive.</p> <p>JH received two alternative quotes, and called this extra meeting to discuss, as the next meeting was not until the end of March.</p> <p>One quote received was a verbal quote only, this being £6.7K. JH explained that he was unsure of the way the work would be carried out as it appeared the contractor had not fully considered the removal of the spoil.</p> <p>The second quote received was for £6.5K, but specified the blocks would be laid on 'Hardcore' not Type One compacted. It was considered that the use of Hardcore was inferior to Type One which was probably why the quote was cheaper. As such this quote was rejected.</p> <p>It was decided that we would opt for the £7K quote as we know that the contractor's standards are high by the way he completed the original works and to make a saving of only £300 by using an unknown contractor was not worth the potential saving. As such JH was asked to progress the works with Danson Drives.</p>
	<p>Meeting Closed at 11.00</p> <p>Next Meetings</p> <ul style="list-style-type: none"> • 22 March • AGM 3 April • 10 May • 12 July • 20 September • 29 November
